

Bungee Jumping in Nepal is one another, the most exciting adventures. There are restrictions for this particular adventure in some places like Europe, New Zealand and America. But, this has been one of the successfully organized sports in the highest mountain range in the world. The ultimate thrill of bungee jumping in Nepal can be experienced in Nepal at perhaps the best sites in the world. Nepal's first bungee jumping site is situated nearly 160m over the wild Bhote Koshi River, located close to the Nepal-Tibet border, a three-hour bus ride from Kathmandu. This sport was designed by one of the New Zealand's leading bungee consultants and is operated by some of the most experienced jump masters. If you wish to test your courage and dare to jump freely from high hills, the advent Himalaya Treks can be your lifeline. It is located some three away from Kathmandu. You will travel through Arniko (Kathmandu/Lhasa) highway to within 12 km of the Tibet border and the famous friendship bridge and ultimately you will have a bungee jump at the 166 m wide steel suspension bridge over the Bhoti Kosi River.
