Everest views trekking located remote area in the Khumbu region. Glacier Adventure can't guarantee it such as weather condition, availability of porter and the health of team members can all contribute to change. Guide and Sherpa will try to ensure that the trip runs according to plan but please be prepared to be flexible if necessary.

Pre-trip meeting

Glacier Adventure hosts the Pre-trip meeting in Kathmandu 2nd day of the itinerary. Trekkers introduce with trek leader. We will provide an opportunity for individuals to ask questions about Everest view trekking. The pre-trip meeting covers personal equipment, acclimatization and to introduce you to another team member. Glacier Adventure hopes pre-trip meeting have excellent, informative, supportive and fun.

Acclimatization

Glacier Adventure's Everest view trekking itinerary is focus rules AMS (Acute Mountain Sickness) when going up too fast causes a medical condition serious enough to kill. Higher mountains area is less oxygen in the air. If, trekkers are wanted safe Everest view trekking. Their body needs some days to rest in the less air environment. Especially, travelers need to know the heart, lungs/blood diseases to consult their doctor before leaving home. Glacier Adventure's itinerary designed to try to prevent AMS as much as possible. It is important to remember that some people are more susceptible than others.

Physical Condition & Experience Requirements

Normally, Everest view Trekking is a remote mountain in the Khumbu region. This is suitable for physical fit walkers. The traveler must be in good health and physical condition. Most parts of treks five to six hours walk but some days are seven hours. It is a good idea; prepare yourself in the lead-up to your trip with some regular exercise. The best form of which is long walking in the hill area. Technical experience is not required, hiking experience is an advantage, but the most important thing is a positive attitude and a generous amount of determination. If you have any pre-existing medical conditions, it is vital you let us know the details of these before setting. Also, before coming to Nepal it's important to consult your doctor regarding vaccination and any other medical concerns the trip may raise. "Medical and emigration expenses are your responsibility."

Insurance

When traveling with Glacier Adventure. Trekkers must be fully insured, including Air rescue, Air ambulance, and treatment service. Have an accident? Trekkers should be careful in choosing a policy; however, as some make special exceptions for adventure travel. Please note that Glacier Adventure doesn't arrange any insurance.
